

95% MOISTURE VAPOR BARRIER ELASTOMERIC ADHESIVE

HONOR MS⁹⁵

WARRANTY CERTIFICATE

LW Flooring provides a 10-year limited adhesive bond warranty when *Honor MS⁹⁵* is used for the interior installation of approved flooring products over properly prepared substrates (see current technical data sheet for complete details). *Honor MS⁹⁵* shall be free from manufacturing defects and will perform as designed when properly used.

Honor MS⁹⁵ is capable of controlling concrete substrate moisture vapor up to 95% RH and 15 lbs MVER, with no need for pH testing. Substrates shall be properly prepared per ASTM F710, have no visible or standing moisture, have an intact moisture vapor retarder per ASTM E1745, and be without hydrostatic pressure. When used as a concrete moisture vapor barrier, the substrate must also be properly prepared and porous per ASTM F3191. The installation must be performed following both the flooring manufacturer's and LW Flooring's guidelines. Please visit www.lwflooring.com for the latest product information and application instructions.

If an installation failure occurs as a direct result of the use of defective *Honor MS⁹⁵*, LW Flooring will pay for equivalent floor covering, replacement LW Flooring adhesive, and for reasonable labor costs to repair or replace the failed portion of the installation as determined by LW Flooring at its sole discretion. This warranty applies only to the adhesive related bond failures. LW Flooring cannot warrant those variables over which it has no control such as the quantity of the adhesive used, the workmanship of the installer, the condition of the subfloor, excessive moisture, the stability of the flooring product and its suitability for installation on the affected job-site, or any other conditions that might affect the installation.

LW Flooring reserves the right as deemed necessary to inspect any claim for cause or this warranty is null and void. Any repairs done prior to inspection by a LW Flooring representative voids any warranty. This warranty is non-transferable.
